VISA® StarPoints Promotion on your Best Financial Credit Union VISA® Platinum Credit Card. Promotion valid April 1, 2021 through June 30, 2021. Net purchases must post and settle during this period to count. Net purchases are defined as credit card purchases less credits, returns and adjustments. Purchases qualify for double points if they are within the merchant category codes for Home Improvements. Bonus points will be rewarded following the close of the June VISA statement. Merchants who accept VISA/MasterCard credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with VISA/MasterCard procedures based on the kinds of products and services they primarily sell. We make every effort to include all relevant merchant codes into our rewards

categories. However, even though the merchant or some of the items that it sells may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases with that merchant will not qualify for rewards offers on purchases. Purchases submitted through a third-party payment account, mobile/wireless card readers, online/mobile digital wallets or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that specific rewards category. Best Financial Credit Union is not responsible if merchant codes do not match the merchant category codes selected for rewards. Star Points, including the double points, do not expire. Star Points may be redeemed for merchandise, travel, gift cards, etc. at www.starpointsplus.com. Please contact the Credit Union with any questions. Other restrictions may apply. Federally insured by the NCUA.
